

# THE LEAKS COLLECTOR

Short film, written and directed by Ann Guillaume.

It's the story of a factory speaking through Rosa.

Rosa is animated by a debate regarding the condition of all things which tend to disappear or not. In the first place, she would like to escape this forced destiny, as well as accept this fate in the light of a fairer renewal.

Through sung acoustic-speaking apparitions, announcing the near end of the factory, the film deals with the fact that one must, or not, accept to be mortal.
